

Change - Chairs

361K Executive stacking armchair
In solid Walnut

Why **Change**? Because sometimes you'll need that meeting room for another function, be it for a conference or a stand up function. **Change** offers all the elegance of a classic boardroom chair with excellent levels of sitting comfort and the functionality of a comparatively lightweight timber stacking chair, enabling quick and easy clearance. HANDS is a ISO9001, 14001 and FSC certified company, we therefore ensure that the Change chairs are made from the highest grade solid ash, oak, beech, and walnut in turn sourced from Forest Stewardship Council (FSC) certified suppliers.

It is our policy to be an environmentally conscious company and that the furniture we produce is sustainable.
