Why **Change**? Because sometimes you'll need that meeting room for another function, be it for a conference or a stand up function. **Change** offers all the elegance of a classic boardroom table with excellent demount-ability enabling quick and easy clearance. The bases allow for the accommodation, ease of installation and access to AV and VC equipment. Made from the highest grade veneers and solid timbers these tables have been well proven in some of the most prestigious blue chip companies.
