

Aries | Sofas

591 Easy chair

Open, clean, well tailored lines with practical comfort describe the **Aries** range of sofas. They ooze sophistication and give a reception area an understated air of quality. Their rectilinear form allows for easy planning in reception areas, particularly when specified with Hands occasional tables (see separate card). The open design also allows for easy cleaning on marble and hard floors, where wet cleaning is required.

593 3 seat sofa

951M jive Club chair
On polished metal legs

The unique range of jive single and twin seat club chairs with their curvaceous lines and crisp upholstery provide practical and comfortable seating solutions for any lounge or reception area.

The individual club chair is both elegant and versatile, whilst the twin seat version incorporates a unique integral space saving coffee table. This feature creates separate spaces for each user, giving two comfortable, distinctive seating places.

952 Coffee table seat division is standard on the two seater, and is available in any of the Hands standard choice of veneers. Shown here in maple.

951 jive Club chair
On solid ash legs polished to maple.

Note: Legs can be polished to a choice of wood finishes or plain colours

952 jive Club twin seat
