Options Lite is the obvious choice for executives and senior support staff who require a high quality finish and look on a specific budget. It presents a lighter look offering superb, softly formed modular furniture and individual desks. Built to exacting standards, Options Lite combines all the practicality and functional shapes using a choice of either cleverly profiled mdf edges or solid edge bands, together with the large choice of high quality veneers. These desks can be specified either as free standing or with associated floor or desk mounted screens.
