

# AV / VC Storage

The growth of Audio Visual presentations and Video Conferencing are fast becoming a cost effective and environmentally friendly way of communicating and are increasingly used in boardroom and meeting room environments. HANDS can provide a perfect furniture solution to house the Plasma screens, IT equipment, whiteboards and flip charts.

BOARDROOM WITH 2 DOOR CABINET HOUSING PLASMA TV ON REMOTE ELECTRIC LIFT.

BOARDROOM TABLE AND AV/VC STORAGE WITH DECORATIVE USE OF VENEERS AND INCORPORATING CORPORATE LOGO

Illustration shows Systems Media Wall 3467 O/A width x 600 deep x 2180 high, incorporating LED Lighting, Electric lift for 50" plasma TV, whiteboard and flipchart holder. Cabinets are designed to allow for equipment cables and ventilation.

Prices range from £14,000 RRP in A band veneer excluding Plasma TV, lift mechanism, LED lighting and subject to individual requirements.

**Note:** It is the responsibility of the client's appointed A/V company to place and fit all technical equipment.
