

Layout Examples

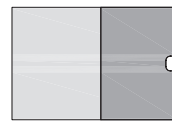

First Impressions

First Impressions is the definitive range of modular reception counters. It's flexibility of design and integral strength lends itself to any number of layouts, creating an individual look and a strong corporate image. Now available with both impressive solid timber edges and slimmer mdf profiled tops. There is an extensive choice of beautiful veneers, all sourced from sustainable forests that can be combined to help create a stunning reception.

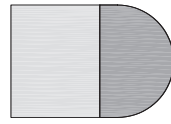

Note: See page R5 for detail on the decorative additions.
